Report

Gateway and Tour of Britain Signs (ToB).

A Councillor recently suggested that the above signs could be changed, and in particular the ToB sign was mentioned as it has been there for some years. It is suggested that the two signs relating to the ToB be changed to depict current events for example- Remembrance Day, Christmas well as a montage of photos of the Town. All the Gateway Signs can also be changed to the original version near the end of the year. The estimated cost of the boards and appropriate vinyl wraps for the ToB change is £1400.
